TITLES THIS YEAR

Titles have been fairly well distributed among the high schools during the past year. There was no football championship on account of the influenza epidemic, so no title was awarded.

In basketball the Business High team, coached by Dr. L. H. Dorman, was the first win for Business on the floor since 1913 when the late Dr. Hudson coached the team. Western High won the freshman title. In track Central High, couched by

Bill Foley, was awarded titular out of doors. The Tech freshmen were best in the yearling games. In baseball Tech coached by W. M. Apple, took first honors with Western coming in second. The freshman title is undecided as yet although Central and Tech are tied up. Tennis honors will probably go to Central although the schedule has not been played out.
